SHORT LOCAL SUGGESTIONS

An Epitome of County Seat Happenings Gathered by the Reportorial Staff.

George A. Merrill, principal of the Lick and Wilmerding Industrial school of San Francisco, is erecting a residence in Wellesley Park.

Miss Virginia Foley and Miss E. Gulchard of San Francisco were guests of Mr. and Mrs. R. F. Guichard of this city last Sunday.

A. D. Walsh has just received a fresh stock of films, paper and other photographic supplies direct from New York.

The legal holidays are still in effect. Governor Pardee will notify county clerk Schaberg two or three days in advance when they will cease.

The town trustees of Palo Alto have adopted an ordinance postponing the penalty for delinquent payment of taxes until July 1st.

Gabe Elstein has a full line of shirt waists and men's and boys' clothes, also a full stock of dress patterns. His store is safe and prices right.

T. P. Maloney, proprietor of the Capitol Market, has splendid quarters in the Market-Fitzpatrick building, where he dispenses choice meat at the usual prices.

William Daley while employed on the Capitol hotel last week was struck with a falling window frame and rendered unconscious for a time. His injuries were not serious.

The Redwood City free library has temporary quarters in the old school house on the island. The building was formerly used as a kindergarten.

Books may be taken from 3 to 5 o'clock every afternoon.

George W. Lovie, local agent for the Commercial Union Insurance company paid a \$2000 policy to J. Caffey today. Mr. Caffey's residence in the Canyada was destroyed by fire as a result of the earthquake. This is perhaps the first insurance paid by any company.

Services will be held in St. Peter's Episcopal church tomorrow morning at 11 o'clock. Evening services at 7:30. The ladies of the three guilds are requested to attend a meeting to be held this afternoon at 3 o'clock. Urgent business will be brought before the meeting.

Miss Florence Barry, formerly of Redwood City, and whose childhood was spent here is critically ill at Auburn, Placer county. The attending physicians says she cannot survive. Her father was formerly district attorney of this county.

The Redwood City Realty Co. is still doing business on the same old stand in the Hadler block. People having houses to rent, either furnished or unfurnished, list with them, as they have several applications for houses.

Notwithstanding the earthquake Geo. Welcher is still manufacturing the Purity and Golden Eagle cigars, the best ten cent smoke in town. Mr. Welcher's factory is at the old stand next door to Fehrn's barbershop. He has enlarged same and is prepared to accommodate wholesale trade. Buy these goods and leave your money at home.

W. J. Dingee returned from New York Wednesday evening. He departed for the east right after the earthquake to consult with New York financiers. He says large investments of eastern capital will be made in San Francisco. Men with means are eager and even anxious to invest in San Francisco realty. Mr. Dingee is hopeful of the city's future, believing it will be rebuilt along modern lines and that there will be a better class of buildings erected. His cheerful view is encouraging to all.

The postoffice department has decided that children going to and from school shall not be allowed to get their parents' mail, so do not blame the postmaster if your children are refused the mail. The postoffice habit among children has become a nuisance both to the public and the postmaster, and the department has done wisely in making this decision. This has been one of Postmaster Lovie's greatest trials as the children go to and from school. We hope this will be observed and not other means need to be used to enforce this law.

Sheriff Sibley of Stockton has written County Clerk Schaberg for information concerning divorce proceedings of A. N. McVicar from Emma McVicar. The latter is soon to be tried in Stockton for the poisoning of McVicar, whose body she placed in a trunk to be shipped to her home in Amador county. She claims McVicar secured a divorce in this county. Mr. Schaberg has investigated the records and finds that no such proceedings were ever commenced in the county. Mrs. McVicar, alias Emma Le Doux was married to McVicar at Bisbee, Arizona, in Sept. 1st, 1902 and poisoned him at Stockton on March 24, last. She was married several times.

Marriage Licenses.

The following marriage licenses were issued from the clerk's office during the week:

Robert J. Bowman and Francisella O'Gerrington, both of Palo Alto.

Albert P. Redding and Katherine J. Clark, both of Menlo Park.

Frank Busso and Margaret Blake, both of San Jose.

Donald A. Urquhart and Mildred Symons, both of San Francisco.

PRESTON WILL CONTESTED.

Tuesday E. Randolph Preston filed a petition in the Superior Court contesting the will of his father, the late Edgar F. Preston. It was known for some time that a contest would be filed.

The will, which is holographic, and dated May, 1900, is contested on the grounds, first that a will was made subsequent to the one probated, in which latter will a large sum was bequeathed to the contestant; second, of the unsoundness of mind of the deceased at the time of the execution of the will; third, of the undue influence exerted by Josephine E. Preston, the wife of the contestant's father. It is further set forth in the contest that such was the influence of Josephine E. Preston that the will does not contain the wishes or testamentary desires of the deceased, but solely those of the wife, and that the said Josephine E. Preston, by threats, induced the writing of the document. Colonel Preston died April 16, 1905, leaving his entire estate, valued at nearly a million dollars, to his wife, and she was named as executrix.

This will was filed April 25, 1905, and on May 11th of the same year was admitted to probate. By this first will Colonel Preston had two children, the contestant and a daughter, Isabel, now he wife of Len D. Owens of Aetna Springs. About the year 1878 he divorced his first wife, and a little later married the wife who survived him. Their children are Edith, now Mrs. Worthington Ames, and a son Frank, who is a student at Columbia College, New York. The children by the second wife were not mentioned in their father's will, either, but it was understood that they were well provided for.

The first Mrs. Preston and her son stood that they were well provided for. The first Mrs. Preston and her son stood that they were well provided for.

Hiram Johnson said yesterday: "We regret very much that it has been necessary to file a contest of Colonel Preston's will, but this course was imperative, to preserve Randolph Preston's rights. The will was admitted to probate May 11th, 1905, and the law provides that a contest must be filed within one year after the probate of a will. The will offered for probate is so at variance with Colonel Preston's off-expressed testamentary wishes with respect to his son that Randolph Preston cannot believe it contains his father's desires."

THE ELECTRIC ROAD.

Notwithstanding the earthquake there is still talk of an electric from San Jose to San Francisco. This is indeed encouraging at this time. It shows that capitalists have faith in the future of San Francisco and the Santa Clara valley.

Attorney E. M. Rea, representing the L. E. Hanchett railroad interests appeared before the town trustees of Palo Alto Wednesday to ask that he company be placed in a position to proceed at once with the laying of its tracks on the streets of that city, according to the terms of the old "Parkinson" franchise now held by the San Jose company. This permits the laying of tracks and the operation of electric cars on University avenue and Waverly street.

"We want to build the road at once," he declared, "and the time is getting short. The three years granted by the franchise in which to lay the tracks and get the system into operation will expire August 15th. Your board has power to grant an extension of only 90 days more. At the end of that time the franchise will be void unless the line is in operation."

"The whole matter is now tied up by the suit, which was brought by the trustees against the former owner, J. F. Parkinson. The suit has never been paid and is still hanging fire in the courts. I have no doubt that I could win the case on trial, but the unsettled condition of the court makes it certain that we could not get the case litigated for months to come. Then it would be too late to build the line."

"For this reason I am here to offer a compromise. I have been talking with Mr. Hanchett and he is willing to do all in his power to arrange an amicable settlement. If the trustees will withdraw the suit, we will pay all court costs, pay \$500 to the town to reimburse it for attorneys' fees and put up a bond of \$20,000 to have the road completed within the time specified in the ordinance."

The board, seemed favorably to the proposition, but final action was deferred until the meeting next Monday evening.

Only a Sad Memory.

Things of everyday consequence are now occupying the minds of our people. The shock has passed and in its place a desire to right as quickly as possible the recent damage is paramount in the minds of all. Our town has taken on activity within the past few days that is good to see. The property owners are working with all the force they can command to clear away the wreckage and repair the buildings. The town is being cleaned up in a remarkably short space of time and it will be a matter of but a few days until buildings will be under way and repairs completed.

Marriage Licenses.

The following marriage licenses were issued from the clerk's office during the week:

Robert J. Bowman and Francisella O'Gerrington, both of Palo Alto.

Albert P. Redding and Katherine J. Clark, both of Menlo Park.

Frank Busso and Margaret Blake, both of San Jose.

Donald A. Urquhart and Mildred Symons, both of San Francisco.

COUNTY BOARD IN SESSION

Official Business Transacted by the Supervisors at Its Last Meeting.

The Board of Supervisors met Monday. All members were present except Elkerenkotter. Owing to the holidays, the following resolution presented by Debenedetti and seconded by Coburn was adopted declaring that nothing but urgent business be transacted:

Whereas, by reason of the earthquake disaster which occurred in this county and in this state on the 18th day of April, 1906, the Governor of this state has from time to time since said day declared each day a legal holiday, and

Whereas, by reason thereof this board has not since said day met in regular session, and

Whereas, the business of the county and public necessity require that said board do now meet for the transaction of the public business of said county, now therefore, be it

Resolved, that all business taken up considered, and acted upon by this board at this regular session of said board, be and the same is declared to be business of absolute necessity for the interest of the people of San Mateo county, as provided in Section 11 of the Civil Code of the State of California.

The following petition from a number of residents of Halfmoon Bay asking for the opening of a road from the Martini ranch to the top of the San Pedro mountains, the old road having been destroyed by the earthquake:

Halfmoon Bay, May 5, 1906.

To the Honorable Board of Supervisors of San Mateo County:

We, the undersigned residents of Halfmoon Bay Colony, respectfully petition your Honorable Board to give us immediate relief and open a road from Martini's ranch to the top of San Pedro mountain as part of the old road has slid away and we have no means of reaching or marketing our vegetables.

G. Pera, E. Martini, C. Raffanti, L. Staffanti, E. Bertellotti, Fred V. Pittner, A. Matteotti, B. Quilici, J. Wyant, Giovanni Pexia, L. W. Cardozo, Brulst, Borsotti, Caio Nerli, P. Quilici, F. Martini, B. Madomoni, J. F. Wlenke, John Klyne, D. Young, Mark Weyant, Henry Hall, P. J. Dempsey, S. Guidagniz, John Foley, Peter Foley, W. B. Kanoff, C. F. Withrow.

Supervisor Debenedetti said the road along the high bluffs was weakened by the Ocean Shore road, and he believed the company should be asked to build the new road.

Chairman Coleman said in view of the fact that the road was in Supervisor Elkerenkotter's district the matter should be deferred. No further action was taken on the petition.

The reports of all the county officers were laid over until the next meeting of the board.

City Clerk Stafford of Redwood City reported to the board that the building commission appointed by the Redwood City trustees recommended that the rear wall of the county jail be removed, it having been demolished in the crash. The report also stated the new courthouse was badly wrecked, but the dome appeared safe. The communication was ordered filed.

Mrs. A. Spring, an indigent person of the Second township applied for aid. On motion of Debenedetti seconded by MacBain petitioner was allowed aid in the sum of \$8 per month from May 1st.

The Bowle Estate company petitioned the board for permission to lay a sewer on Peninsula avenue to drain the Central tract. On motion of Debenedetti seconded by MacBain the petition was granted.

W. H. DeWitt of San Mateo and Joseph Piccaro petitioned for appointment as auditor, vice Geo. Barker, deceased. The matter was laid over until the next meeting of the board.

The following communication and resolution was received from the Pacific Fire Underwriters. On motion of MacBain seconded by Debenedetti it was ordered that each Supervisor appoint such inspectors for his district for chimneys and electric wiring as he may deem necessary of the case may demand. The cost was placed at 50 cents for each house, to be paid by the property owner.

To the Board of Supervisors, County of San Mateo, Redwood City, Cal. Gentlemen: We enclose herewith copy of resolution unanimously adopted by the Underwriters at session today, feeling confident that you have the same interest in protecting your community against the hazard which we are endeavoring to avoid.

We would urge that you take measures to pass the necessary prohibitory ordinance so far as your own body is concerned, and procure the passage of similar ordinances by the various local authorities in your county.

Yours truly,

FIRE UNDERWRITERS ADJUSTING BUREAU.

E. F. Moehardt, secretary.

Oakland, Cal., April 23, 1906.

At a meeting of the Managers transacting business in the State of California, held at Reed's hall, Oakland, Monday, April 23rd, 1906, the following preamble and resolutions were unanimously adopted:

In view of the widespread damage to chimneys, electrical wires and gas pipes in all buildings in the line of the recent earthquake, and the consequent imminent danger of fires in case of use of chimneys in their present condition.

It is hereby resolved, that in case

of any fire being built in any building in the Counties of San Francisco, Monterey, San Benito, Alameda, Contra Costa, Solano, Napa, Sonoma, Marin, San Mateo, Santa Clara, Santa Cruz, Mendocino or Humboldt unless and until after the chimneys have been carefully examined by the properly constituted local authorities of the district and a permit has been granted by action of such local authorities, all insurance thereon shall at once cease and the policies stand cancelled as the result of such increase of hazard, as provided in the contract of insurance.

Resolved, that all insurance agents in the Counties above named be and are hereby directed to notify policy holders of this action on the part of companies; and that they urge prompt action on the part of local authorities looking to the establishment of a proper inspection system and the passage of necessary prohibitory ordinances.

Debenedetti announces that the arch bridge across Pilarcitos creek was injured by the earthquake and asked to have the county surveyor inspect same. On motion of MacBain seconded by Coburn the request was granted.

Sheriff Mansfield appeared before the board and stated that on the morning of the earthquake he was compelled to liberate thirty-two prisoners confined in jail for minor offenses. He asked that the board approve of his action. On motion of MacBain seconded by Debenedetti the sheriff's request was granted.

The clerk was instructed to write H. S. Crocker & Co. informing them their contract for furnishing the new court house with furniture had been cancelled by the board.

The clerk was also instructed to notify W. J. Sloan & Co. in reference to the contract for furnishing the Lincoln.

The following liquor dealers whose applications were read at the first meeting in April were granted licenses: First township—Maude E. Earle, Mission road; Walter Jefferson, South San Francisco; Nicholls & Warcup, South San Francisco; Ehlers & Froelich, Colma.

The following liquor dealers gave notice of intention to apply for licenses a month hence: First township—J. B. Demartini, Colma; Dan Mcweeney, South San Francisco; John C. Clifford, Colma; D. Mahany, South San Francisco.

Third township—J. M. Williamson, Woodside.

No further business appearing the board adjourned to Monday May 21st, at 10 o'clock.

RECONSTRUCTION BEGUN.

The genuine enterprise and courage of the business men and property owners of Redwood City challenges the admiration of the people of the whole county and valley. No sooner had the noise of the earthquake died away than coats were off, sleeves rolled up and the work of clearing the wreck began. Today nearly all the buildings are assuming their former shapes and in another week the effects of the recent disaster will scarcely be noticeable. All this has been accomplished while other towns have hardly begun work of rebuilding.

The Germania hall structure has been rebuilt and painters are at work embellishing the outside. It will be ready for occupancy next week.

The Wahl building is assuming its former appearance and will be completed in a few days.

The debris of the First National Bank building has been cleared away and business in that institution goes on as if nothing had happened. Geo. C. Ross' law office has been repaired and he receives his clients as before.

Dr. Ross' next door has repaired his structure and will move back in a few days. The Fitzpatrick building adjoining will soon be in readiness to receive its former tenants.

The wreck of the Savings and Trust Co.'s building has been cleared away and the lot fenced in. A new building will be erected when the plans are prepared.

Chas. Josselyn has plans out for a hall in the Alhambra building. The stage is to be in the rear of the structure. The hall will be strictly up to date with numerous fire escapes and all the modern improvements.

Hind & Langley have repaired their shop on Main street and moved back Thursday and doing business as if nothing happened.

Mr. G. Plump has cleared away the debris and will commence building at once.

Mrs. Offerman has had a force of men taking away the brick from her wrecked building and will commence the erection of a suitable structure in a few days.

Mrs. Gunning has her building in readiness for another story which she may build shortly.

The Frank Tannery is now running at full force which the Beeher has its full force of men employed.

A hopeful and cheerful spirit permeates the very air and with this condition Redwood City will shortly be back to its normal state.

The First National Bank is now prepared to furnish checks payable at sight on San Francisco, Los Angeles, San Jose and Oakland, as well as all eastern and European points. We respectfully ask all who are in need of making payments to buy drafts so the coin will not leave our city.

L. P. BEHRENS, Cashier.

Death of An Estimable Lady.

On Sunday evening Mrs. Ellen Boland, one of San Mateo's most respected pioneer ladies, passed away at the family home on D street.

She has been ill for some time from a complication of ailments, and despite all that could be done for her she left she gradually sank until the end came.

She was a native of Galway, Ireland, and was 65 years of age. Her residence in San Mateo extended over a period of many years, and through her kindness of heart and many excellent qualities endeared herself to a large circle of acquaintances.

In addition to her bereaved husband, John Boland, she leaves a son, Maurice Boland, city marshal, and a daughter, Mrs. J. C. Ryan of San Francisco.

M. E. Price Dead.

Dear sir: I take this method of informing the relatives of one, M. E. Price, of Bolivar, Mo., that he was lost in the earthquake disaster in Santa Rosa on April 18th. He told me that he had a brother and family residing there. If you know nothing of them give this to the local paper for publication.

W. J. GARRISON, Santa Rosa, Cal., Route No. 6. Santa Rosa, Cal., May 6, 1906. Past Master, Redwood City Cal.

A contract was awarded to Frank Johnson during the week to grade roads, put in water mains and construct a large ditch to drain off the water that flows from the hills during the rainy season.

A. P. Redding and Miss Katherine J. Clarke were united in marriage at the home of the groom at Fair Oaks, last Wednesday. The bride was handsomely gowned. There were a number of guests present including the children of Mr. Redding. The couple left on the evening train for Del Monte where the honeymoon will be spent. Mr. and Mrs. Redding have the best wishes of all for a happy wedded life. The wedding was planned to take place Wednesday, May 2, at the home of Miss Clarke's mother on Clay street in San Francisco, and to be followed by an eastern tour, but on account of the fire the change in plans was made. Mr. and Mrs. Redding will be at home in Menlo Park during the summer months.

James Hand, eldest son of Mrs. D. Hand, passed away at Fairfax, Placer county, Friday, of last week after a protracted illness. The news of his death was a severe shock to his numerous friends here with whom he was extremely popular. Deceased was the idol of his home surroundings and beloved by all who knew him for his many qualities, generous ways and jovial disposition. Those who knew him best liked him most. His companion were always happy when he was in their midst. Mr. Hand was born in Menlo Park 29 years ago and has always resided here. He was a plumber by occupation. He contracted a cold some time ago while employed at the University. Last April he went to Placer county to shake off its effects but it had made inroads in his frail constitution and he finally succumbed. The funeral took place from the home of his mother Tuesday and was largely attended by relatives and friends. His brother William arrived from Utah in time to attend the funeral. Interment was in Holy Cross cemetery.

John O'Kane, the well known pioneer and capitalist, passed to his final rest last Saturday evening. He complained during the day of a slight cold and at night he grew worse. Doctor Miller was called and diagnosed the case. He found the patient suffering from a stroke of apoplexy and applied the usual remedies but could not save him for he was in a dying condition and passed away at 10 o'clock. The end was peaceful.

Mr. O'Kane had been an invalid for four years during which time he was devotedly and tenderly cared for by his son James, who was constant in the ministrations of his father's every want. Deceased was prominent in business circles of San Francisco for years, having arrived there in 1854. He was a man of sound judgment and possessed good business ability. The latter quality was displayed in his administration of the large Donahoe estate of which he had charge for many years. Through his business acumen the properties made to them so that when the heirs, Mrs. Richard Burke, nee Mamie Donahoe, and P. J. Donahoe became of age, there were millions to distribute.

Mr. O'Kane was brother of Mrs. Donahoe whose husband was the original owner
